

Parent

A parent or guardian finds a dojo, creates a family account and signs their children up for sessions. Parents don't need approval or a background check: they only ever manage their own children.

Screenshots taken on the development site (seeded demo data) as **guardian-5 (seeded parent of Lotte, 14, and Olivia, 16)**, 29 September 2026.

The journey

- Discover dojos and sessions without an account
- Create a family account with the children in one go
- Follow each child's belts, badges and history
- Sign up for a session, and get the confirmation mail
- Manage mail, sign-in security and privacy

Steps in this document

- | | |
|------------------------------|-------------------------------|
| 1. Discover CoderDojo | 9. Pick a session |
| 2. Find a dojo nearby | 10. Choose which children go |
| 3. A dojo's page | 11. Confirm |
| 4. Browse sessions | 12. Signed up |
| 5. A full session | 13. The confirmation mail |
| 6. Create a family account | 14. Mail preferences |
| 7. The family's account page | 15. Sign-in security |
| 8. A child's page | 16. Privacy: export or delete |

Step 1

Discover CoderDojo

A parent lands on the homepage. The dojo finder and the upcoming-sessions carousel are right there, no account needed.

/

Game Jam Session

Sat 10 Oct · 09:30–11:00

Hosted by [Dojo Westerlo](#)

About this session

Game Jam Session is a hands-on, beginner-friendly session. What you'll do:

- Pick a project and start building
- Get 1:1 help from a mentor whenever you're stuck
- Show off what you made at the end (totally optional)

Bring with you

- A laptop, if you have one (we have a few spares to lend out)
- A water bottle and a snack

Not required

No experience, no accounts to set up in advance — we'll get you going on the day.

Pathways this session covers

☐ I am the parent or legal guardian of the children listed below.

☐ Use my children's details (their age, gender, the sessions they come to and their belts) to choose which news about sessions and events like CoderDojo Girlz and Coolest Projects I get. Optional; you can change it for each child on your Mail preferences page.

☐ Send me the CoderDojo Belgium newsletter and news about events like Coolest Projects and CoderDojo Girlz.

We use what we know about your family to send you mails that are relevant to you: your postcode and your language and, for the children you agree to it for, which sessions they come to, their age and gender. That's how you hear about sessions at your dojo, a new dojo near you, or events like Coolest Projects and CoderDojo Girlz. The team of the dojo your child goes to can also write to you through this site, without seeing your email address; if you reply, your reply goes to the dojo.

You can change this, and which other mails you get, on your account's Mail preferences page.

Workshop voor beginners

Wed 7 Oct · 13:00–18:00

Hosted by [Dojo Zonnebeke](#)

About this session

Only in Nederlands

Workshop voor beginners is een sessie voor beginners waarin je zelf aan de slag gaat. Wat je doet:

- Kies een project en begin te bouwen
- Krijg hulp van een mentor als je vastzit
- Toon op het einde wat je maakte (helemaal vrijblijvend)

Breng mee

- Een laptop, als je er een hebt (we hebben er een paar om te lenen)
- Een drinkfles en een tussendoortje

Niet nodig

Geen ervaring, geen accounts om vooraf aan te maken: we helpen je op de dag zelf op weg.

Date	Wed, 7 Oct · 13:00–18:00
Location	Berten Pilstraat 5, Zonnebeke 8980
Ages	10–14
Language	Nederlands

The confirmation mail

The booking confirmation arrives in the parent's chosen mail language (here Dutch). In development every mail lands in Mailpit.

/mails/view/33jWqvAF1m5trTc5CS8E

The screenshot shows the Mailpit web interface. At the top, there's a header with the Mailpit logo, a 'Mark read' button, a 'Delete' button, and a 'Download' button. Below the header, on the left, is a sidebar with a 'Return to inbox' link and a list of email previews. The main area on the right displays the details of a selected email.

From: CoderDojo Belgium <noreply@coolregistration.localhost>
To: <guardian-5@coderdojo-demo.example>
Return-Path: <bounces@coolregistration.localhost>
Subject: Lotte is ingeschreven voor Workshop voor beginners
Date: Mon, 5 Oct 2026, 8:45 pm (1.2 kB)
Tags: Add tags...

Below the email details, there are tabs for 'Text', 'Headers', 'Raw', and 'Link Check'. The 'Text' tab is selected, showing the email body in Dutch:

Hallo Veerle,

Lotte heeft een plaats voor Workshop voor beginners bij Dojo Zonnebeke.

Wanneer: woensdag 7 oktober 2026, 13:00-18:00
Waar: Berten Pilstraat 5, Zonnebeke 8980

Breng een opgeladen laptop mee als je er een hebt. Alle details van de sessie:
<https://coolregistration.localhost/events/71/>

Toch verhinderd? Schrijf uit via je accountpagina, dan krijgt iemand van de wachtlijst de plaats: <https://coolregistration.localhost/account/>

Het CoderDojo Belgium-team

At the bottom of the sidebar, there are links for 'About', a notification bell, and a settings gear.

Mail preferences

The parent chooses which kinds of mail they get, mutes a dojo's news, and gives or withdraws consent per child.

/account/mail/

 CoderDojo Belgium

HomeEventsDojosEnglish*Veerte

Mail preferences

We use what we know about your family to send you mails that are relevant to you: your postcode and your language and, for the children you agree to it for, which sessions they come to, their age and gender. That's how you hear about sessions at your dojo, a new dojo near you, or events like Coolest Projects and CoderDojo Girlz. The team of the dojo your child goes to can also write to you through this site, without seeing your email address; if you reply, your reply goes to the dojo. Below you choose which mails you get. Mails about your account and your bookings are always sent.

Which mails you get

☐ Reminders
A reminder two days before a session you signed up for.

☐ News from your dojo
New sessions and news from the dojos your family goes to.

☐ Volunteering
News for champions and mentors, mail from your dojo's champion, and calls for volunteers.

☐ Newsletter and campaigns
The CoderDojo Belgium newsletter and events like Coolest Projects and CoderDojo Girlz.

☒ Account and security Always on
Password resets, background-check requests and other mail about your account.

☒ Session bookings Always on
Confirmations and changes for the sessions you signed up for.

Your dojos

News from these dojos, as long as News from your dojo is on. Switch off a dojo to stop only its mails.

☒ Dojo Beveren

☒ Dojo Zonnebeke

Your children's details

Use my children's details (their age, gender, the sessions they come to and their belts) to choose which news about sessions and events like CoderDojo Girlz and Coolest Projects I get. Per child; signing up for sessions never depends on it.

☒ Lotte Goossens

☒ Olivia Goossens
